Post-Freeze Semen Analysis

Client: J.Teasdale

Evaluation Date: 10.07.2022

Bull ID	Batch Date	Motility %	Morphology % (Range)	Concentration (Sperm per ml)	Result
Michifuku	03/30/98	> 70%	75-80%	>100million per ml	Pass

Comments:

Michifuku passes all parameters, motility, morphology and concentration. Semen regarded satisfactory for AI and embryo transfer.

Lab Analysis:
